Term ..... Class .....

### Narrowing the gap through Quality First Teaching (Wave 1)

- clear objectives shared with the children and reviewed at the end of the lesson
- quality feedback and marking
- a range of teaching styles (VAK)
- practical tasks, thinking activities, investigations, problem solving
- allow children to demonstrate knowledge in a variety of ways e.g. mind mapping, drama etc
- learning from mistakes in a supportive environment

- encourage a range of grouping, pair and individual working
- visual timetables
- working/learning walls and displays
- effective use of ICT by pupils and teacher
- use of concrete equipment in maths
- new vocabulary explained
- dictionaries, vocab banks, keyword lists

Wave 2 Provision/ intervention	Pupils	Objective <i>What do you want to achieve? (use stepping stones if approp.)</i>	Staff/ timing	staff/ pupil ratio	Progress <i>Has objective been met?</i>	Next Steps
