

MEAVY'S PE SPORTS GRANT 2015 -2016 REPORT TO GOVERNORS AND PARENTS

Background:

The Government is providing additional funding of £150 million per annum for academic years 2013/2014, 2014/2015 & 2015/2016 to provide new, substantial primary school sport funding in order to improve the provision of physical education and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to schools to be spent on improving the quality of sport and PE for all their children. All state-maintained schools, academies, middle schools, special schools and pupil referral units which have primary aged pupils (as reported in the 2013 / 2014 / 2015 school census) will receive the funding.

This funding is ring-fenced and therefore can only be spent on provision for PE and sport in schools. We will be held accountable for how we have used the additional funding to support pupils progress and participation in PE and school sport. We are required to publish on-line information about how we have used the additional funding, including details about our sporting provision alongside curriculum details.

The reasoning behind our spending:

- all children should benefit regardless of sporting ability
- all children are given the opportunity to compete in tournaments with other schools
- all children are given the opportunity to experience a variety of sports
- some activities may be subsidised so that pupils do not miss out due to financial constraints
- we make use of collaborative and partnership working with local secondary and primary schools
- staff have access to training opportunities and continued professional development
- all children are encouraged to live healthier outdoor lifestyles through forest school activities
- professional coaches who coached the children in Tag Rugby and netball
- transport, i.e. coaches and minibuses, so that KS1 and KS2 children could take part in events.
- new equipment which could be used by all pupils during PE lessons and for improved lunchtime activities.
