

# Meavy Madness

## Saturday 14th July 2018 at

This is the second year of the Meavy Madness run. The event is open to primary school age children from reception to year 6. It comprises 3 routes of 1km, 2km and 5km so all ages and abilities will have a race to suit them. The participant numbers are limited to 150. This is the brainchild of the Meavy PTA and friends who love running but don't think the adults should have all the fun!

The off road wooded and heath route leads up from the Meavy Primary School grounds, through a farmer's field into the woods below Burrator Dam. The 1km route turns at a fallen tree to retrace their steps back to the finish line. The 2km route continues up the track to the Dam, along the leat and down the path back to the field and on to the school. The 5km route reaches the dam then continues to ascend to the Burrator road, skirting the edge of this for 100m until dipping back down into the gorse heath above meavy, eventually joining the leat towards the dam and returning down to school via the main track again.

This is a fully marshalled run, and all marshals will be clearly identifiable with bibs. There will be prizes for each age bracket in all the distances and all finishers will receive a medal. Adults and other children can of course run with them but don't get a race number or a medal! There are NO DOGS allowed on the run.

Water will not be provided on the 1km and 2km routes but will be provided approximately half way through the 5km route. The wonderful people from Meavy PTA will be on hand with drinks and cakes both before and after the run in the Meavy School grounds.

Parking will be clearly signed as you approach Meavy and will be located at the opposite end of the village to the school. Please do not park directly by the school.
