

LADY MODIFORD'S PE SPORTS GRANT 2017 -2018 REPORT TO GOVERNORS AND PARENTS

Background:

The Government is providing additional funding for academic years 2016/2017, 2017/2018 to continue to provide substantial primary school sport funding in order to improve the provision of physical education and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to schools to be spent on improving the quality of sport and PE for all their children.

This funding is ring-fenced and therefore can only be spent on provision for PE and sport in schools. We will be held accountable for how we have used the additional funding to support pupils progress and participation in PE and school sport. We are required to publish on-line information about how we have used the additional funding, including details about our sporting provision alongside curriculum details.

The reasoning behind our spending:

- all children should benefit regardless of sporting ability
- all children are given the opportunity to compete in tournaments with other schools
- all children are given the opportunity to experience a variety of sports
- some activities may be subsidised so that pupils do not miss out due to financial constraints
- we make use of collaborative and partnership working with local secondary and primary schools
- staff have access to training opportunities and continued professional development
- all children are encouraged to live healthier outdoor lifestyles through forest school activities
- professional coaches who coached the children in Tag Rugby and netball
- transport, i.e. coaches and minibuses, so that KS1 and KS2 children could take part in events.
- new equipment which could be used by all pupils during PE lessons and for improved lunchtime activities.

LADY MODIFORD'S PE SPORTS GRANT 2017 -2018 REPORT TO GOVERNORS AND PARENTS

Academic Year: 2017/18		Total fund allocated: £16 530		Date Updated: 4/4/18	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school					
School focus with clarity on intended impact on pupils:		Actions to achieve:		Funding allocated:	
<p>Greater coordinated sporting opportunities for all pupils and increased participation.</p> <p>High quality curriculum resources will support the delivery of quality P.E. lessons.</p> <p>safety check on all PE equipment</p> <p>All children develop confidence in water and are able to swim at least 100m by the end of primary school.</p>		<p>Pooling of additional funding with that of other local schools through OCRA.</p> <p>Curriculum resources audit – replace consumables, fix PE shed</p> <p>This is an annual safety check for both outdoor equipment and indoor apparatus, mats etc. Based on this the school can replace or make good any faulty equipment. Recently the outdoor adventurous play posts had to be removed as they were rotten</p> <p>Improve swimming pool and environs, use of chemicals and regular checks by Norse</p>		<p>£1750</p> <p>£500</p> <p>£200</p> <p>£3000</p>	
<p>Evidence and impact:</p> <p>Local sports network incorporating 12 schools. Training for all school staff. Developing school-club links. Engagement in the Devon School games. Focus on fundamental skills. Teachers are able to teach PE successfully with a range of equipment.</p> <p>This will improve the % of ALL children able to swim and exceed the end of KS2 expectations.</p>					
Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement					
School focus with clarity on intended impact on pupils:		Actions to achieve:		Funding allocated:	
Evidence and impact:
