

MEAVY'S PE SPORTS GRANT 2017 -2018 REPORT TO GOVERNORS AND PARENTS

Background:

The Government is providing additional funding of £150 million per annum for academic years 2013/2014, 2014/2015 & 2015/2016 to provide new, substantial primary school sport funding in order to improve the provision of physical education and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to schools to be spent on improving the quality of sport and PE for all their children. All state-maintained schools, academies, middle schools, special schools and pupil referral units which have primary aged pupils (as reported in the 2013 / 2014 / 2015 school census) will receive the funding.

This funding is ring-fenced and therefore can only be spent on provision for PE and sport in schools. We will be held accountable for how we have used the additional funding to support pupils progress and participation in PE and school sport. We are required to publish on-line information about how we have used the additional funding, including details about our sporting provision alongside curriculum details.

The reasoning behind our spending:

- all children should benefit regardless of sporting ability
- all children are given the opportunity to compete in tournaments with other schools
- all children are given the opportunity to experience a variety of sports
- some activities may be subsidised so that pupils do not miss out due to financial constraints
- we make use of collaborative and partnership working with local secondary and primary schools
- staff have access to training opportunities and continued professional development
- all children are encouraged to live healthier outdoor lifestyles through forest school activities
- professional coaches who coached the children in Tag Rugby and netball
- transport, i.e. coaches and minibuses, so that KS1 and KS2 children could take part in events.
- new equipment which could be used by all pupils during PE lessons and for improved lunchtime activities.

MEAVY'S PE SPORTS GRANT 2017 -2018 REPORT TO GOVERNORS AND PARENTS

Academic Year: 2017/18	Total fund allocated: £16 790	Date Updated: 4/4/18	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school			
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:

Key indicator 5: Increased participation in competitive sport, trips and sporting occasions.			
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:
have greater opportunities to participate in inter schools competitions. Meet other children in transition to secondary school Engender pride at representing their school Enable children to attend international sporting event	Regular inter schools sporting competition opportunities. To include: five cross-country competitions, football fixtures, rugby festivals and tournament, netball tournament, cricket festival Quad Kids (athletics-boys and girls). Regular participation in other Tavistock Festivals	£1500 – transport costs Supply cover for 10 days £1800 Subsidise coach to Twickenham £150	

This table will be updated regularly. As the expectation is that it is published on 4 April, the impact of the activities will be assessed at the end of the school year and filled in then.

As the grant is towards the provision of PE, it does not cover all the elements but helps to offset the curriculum costs of the varied activities we offer. There was a small carry forward from last year which will also be put towards this spend.

As the school gets regular offers of last minute activities, any additional funds may be covered by generous donations from our PTA or the Trustees.

Many of these lines are annual expenditure. Using the PE grant in this way ensures these important events can be put in the diary and planned for early.

This is why this year's planned spend has exceeded the income. The extra is borne from our curriculum expenditure.
