

Dear Parents

As we enter our new term in a very different way than we are all used to, we wanted to take the opportunity to signpost you to our new Home Learning packs.

Each teaching team have worked together to produce a daily series of activities in a structure similar to your child's usual day in school. These will be posted on your child's class page for you to access each morning. They are not intended to be followed rigidly as we appreciate that there are lots of other things going on at home. Each daily learning pack will remain on the website for the week, to allow you chance to dip in as you wish.

Please be mindful to select the learning for your child's year group where appropriate.

We look forward to receiving photographs of your child's lovely work. This can be done through the class email for KS1 using the EYFS icloud email.

Please be aware that the email address may be the partner class account. If this is so, please be assured that the email will be passed on to the child's own class teacher. The teachers of West Dartmoor Federation are working hard to ensure that you feel both guided and supported so please use the address provided to ask when you are not sure.

We will be putting something in place for KS2 feedback by the end of the week. An update will be posted on the website.

Keep safe and well

The staff of Lady Modiford's and Meavy schools.
