

Lady Modiford's & Meavy Primary Schools

Online Learning

Date: Thursday 21st January 2021

Year group: Year 1

On this power point we have outlined some daily activities using a similar structure to that of a school day. It is really important that the children who are coming into school on some days, continue to follow the online learning on the days that they are at home, because we are going to be following the same sequence of learning in school.

Each of you should have received a work pack. It will contain equipment and sound mats that your child would normally make use of in class. There will be a book for your child to work in and the year 1s will have the printed maths sheets that they will need for the maths lessons. We have also put in letter formation sheets and handwriting practice.

The power points will remain on the website all week, so you can access them at any time.

Within our online learning PowerPoints there will be parts where we are asking for work to be sent in (photograph/scan and emailed to this account). It is very important that we are able to keep up with the work that the children are doing and we really appreciate you taking the time to do this. Any photographs, work or comments that you send us will be stuck straight into learning journeys and work books so they really will be valued. We look forward to seeing how everybody gets on.

We will be on-hand to offer support and feedback to any of you who may need it so please do let us know if there is anything you are struggling with.

Thank you.

Our learning today

Phonics: Phase 5 Week 7 lesson 4

Writing: Baboon on the Moon 3

Maths: Order numbers

RE – God: What does this word mean?

Active ideas: Make your own clock

Rainbow Challenges

Reflection time

Story Time

Phase 5 Phonics

Phonics: Today we are going to play a game using our Phase 5 sounds

Click here to start the phonics lesson.

<https://www.loom.com/share/6dcafe68e6b94bafbccc8075713bde6b7>

English: Baboon on the Moon 3

[Click here to watch the video of the Baboon on the Moon.](#)

Look carefully at each of the pictures from the film and think of an adjective to describe parts of the picture and make a list. We will use these tomorrow when we do our own writing.

For example – I might write
the black lever
the sleepy baboon

Make sure you include finger spaces and use your sound mat and tricky words to help you.

Maths: Order Numbers

Today we are going to order numbers.

[Click here for today's lesson](https://vimeo.com/483539572)

<https://vimeo.com/483539572>

In your maths pack, you will find the worksheet 'tens and ones'. With your helper, read each instructions and complete the sheet carefully. Remember to count and check before moving onto the next question. Make sure that you form your numbers correctly. Keep your number line to hand to help you.

Please don't forget to email us a photo or a scanned copy of your work.

**RE – What do people think about God?
What do Muslims think about God?**

**Lesson 2 – God: what does this word mean?
What is invisible and what shows it is there?**

[Click here to watch your RE lesson with Mrs Gawadzyn](#)

An active idea: Make your own clock

Make your own clock using natural materials. Click on the link below for instructions.

<https://www.sunhatsandwellieboots.com/2013/11/telling-time-outdoor-clock-made-with.html>

Use your clock to start learning the time. Start by pointing the long stick/hand to the number 12 and pointing the small stick/hand to a number -if it points to 3 that means it's 3 o'clock.

Have fun!

This week's Rainbow Challenges:

During the week try to do each of these challenges to get your rainbow certificate.

My Rainbow Challenges

I can play a memory game.

I can write a shopping list for someone.

I can make a mask.

I can solve a problem.

I can record and find the total number of letters that came in the post during the whole week.

I can mime different jobs for someone to guess.

Collective Worship

One of the stories Jesus told was
The Parable of the Wise and Foolish Builders.

Watch this animated version of the story
https://www.youtube.com/watch?v=CXWHLB1f6_U&safe=active
and think about the following:

What did each of the men do?
Did they both make the right choice and do the right thing?
Why do you think Jesus told this story?

*Dear God,
Thank you for loving each and every one of us.
Please help us to remember to do the right thing when we are at school,
at home and at play.
Amen*

Story time

Now to finish the day with a story.

Are you sitting comfortably?

[Click here to start the story.](#)

You have completed today's learning.

Well done you are a star!

Please remember to email your work to our class email address.
