

# Lady Modiford's & Meavy Primary Schools

Online Learning

Date: Friday 5<sup>th</sup> February 2021

Year group: Year 1

On this power point we have outlined some daily activities using a similar structure to that of a school day. It is really important that the children who are coming into school on some days, continue to follow the online learning on the days that they are at home, because we are going to be following the same sequence of learning in school.

Each of you should have received a work pack. It will contain equipment and sound mats that your child would normally make use of in class. There will be a book for your child to work in and the year 1s will have the printed maths sheets that they will need for the maths lessons. We have also put in letter formation sheets and handwriting practice.

The power points will remain on the website all week, so you can access them at any time.

Within our online learning PowerPoints there will be parts where we are asking for work to be sent in (photograph/scan and emailed to this account). It is very important that we are able to keep up with the work that the children are doing and we really appreciate you taking the time to do this. Any photographs, work or comments that you send us will be stuck straight into learning journeys and work books so they really will be valued. We look forward to seeing how everybody gets on.

We will be on-hand to offer support and feedback to any of you who may need it so please do let us know if there is anything you are struggling with.

[Wdf.acorn@stcmat.org](mailto:Wdf.acorn@stcmat.org)

[wdf.beech@stcmat.org](mailto:wdf.beech@stcmat.org)

Thank you.

## Our learning today

Phonics: Friday Phonic Fun!

Writing: Exciting writing

Maths: Investigation

Topic – Computing – Sorting it out!

Active ideas: Cosmic yoga

Rainbow Challenges

Reflection time

Story Time

## Phonics: Today we are going to play Phonic games.

Using your sound cards, can you remember all of your Phase 5 sounds?

<https://www.phonicsplay.co.uk/member-only/Flashcards.html>

Today we are going to practise those alternative sounds.

Click on the Cheeky Chimps game. Select **ea**. Read each word on the banana and decide whether it is an **ea** as in sea or **ea** as in head.

There is a new log in for home learning – username Jan21 password – home

Have fun!

Have a look at this picture from Pobble 365.

What is happening here?

What can you see?

What would you like to know?

Write me a question you would like to ask about this picture.#

If you are feeling clever, have go at writing more than one!

Don't forget that your writing needs to be able to be read by somebody else.

You need to...

Think of your sentence.

Say your sentence out loud.

Write your sentence by sounding out each word or using your tricky words.

Make sure you leave a finger space between each word.

# Maths: Investigation – The domino pattern

West  
Dartmoor  
Federation

Can you complete these patterns? Look carefully to see why you think each domino has been chosen.

You could draw the dominos on a piece of paper or in your book.

Can you make any different patterns?

## Next Domino

Age 5 to 7 ★

Which comes next in each pattern of dominoes?

## Computing: Sorting it out

Today we are going to have more fun with algorithms!

Find out more about algorithms here -

<https://www.bbc.co.uk/bitesize/topics/z3tbwmn/articles/z3whpv4>

When we give our computers or robots instructions, we need to be very clear. Last week when you moved the robot to deliver the parcel, you had to be very clear which way to turn because the robot only does as you have asked. The robot doesn't think "oh no! I'm going the wrong way" like we would.

If we want the robot to sort objects, we need to be very clear and about what each object looks like – think about a brush – a toothbrush and a sweeping brush are used in very different ways. They are both brushes but confusing them could end badly!

Today's activity can be found at

<https://barefootgames.org/sorting?ref=>

<https://www.barefootcomputing.org/>

When you play the game, it will ask you for your nickname. Remember not to use your real name. When I played, I used the name Bob!

An active idea: Cosmic kid's yoga

[Click here to choose a yoga routine with Jamie](#)

# This week's Rainbow Challenges:

During the week try to do each of these challenges to get your rainbow certificate.

## My Rainbow Challenges

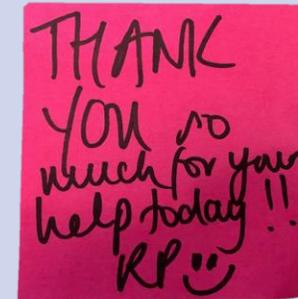

I can explain to someone how something works.

I can help by washing my bike or scooter with warm soapy water.

I can write a message to someone.

I can make a paper boat that floats.

I can add two numbers to 10/20 using buttons etc to help me.

<https://www.topmarks.co.uk/addition/robot-addition>

$$7+6=$$

I can learn a new nursery rhyme.

## Collective Worship

It's Friday and time to look back at the week and think about what has happened at school and at home. We reflect on our learning and think about all that we have achieved.

### Time to reflect

What has gone well for you this week?  
What are you particularly proud of?  
Is there anything you can do this Friday, that  
you couldn't do last Friday?

*Dear God*

*Thank you for everyone that helps us.*

*We thank you for our family and friends and for all those who help us  
in so many different ways.*

*Please look after us and keep us safe and healthy.*

*Amen*

## Story time

Now to finish the day with a story.

Are you sitting comfortably?

[www.loom.com/share/3f068821d2f74afba3247cc833e39008](http://www.loom.com/share/3f068821d2f74afba3247cc833e39008)

You have completed today's learning.

Well done you are a star!

Please remember to email your work to our class email address.
