

# Lady Modiford's & Meavy Primary Schools

Online Learning

Date: Thursday 25<sup>th</sup> February 2021

Year group: Year 1

On this power point we have outlined some daily activities using a similar structure to that of a school day. It is really important that the children who are coming into school on some days, continue to follow the online learning on the days that they are at home, because we are going to be following the same sequence of learning in school.

Each of you should have received a work pack. It will contain equipment and sound mats that your child would normally make use of in class. There will be a book for your child to work in and the year 1s will have the printed maths sheets that they will need for the maths lessons. We have also put in letter formation sheets and handwriting practice.

The power points will remain on the website all week, so you can access them at any time.

Within our online learning PowerPoints there will be parts where we are asking for work to be sent in (photograph/scan and emailed to this account). It is very important that we are able to keep up with the work that the children are doing and we really appreciate you taking the time to do this. Any photographs, work or comments that you send us will be stuck straight into learning journeys and work books so they really will be valued. We look forward to seeing how everybody gets on.

We will be on-hand to offer support and feedback to any of you who may need it so please do let us know if there is anything you are struggling with.

## English: Hidden World – Oceans 2

Watch the video to see how the book works.  
It doesn't have any sound but can see how the flaps  
of the book work to reveal the information.

<https://www.youtube.com/watch?v=5cUNci8yj9Q>

Now click this video to hear the information  
from the book.

<https://www.loom.com/share/fed37f72f76d4ddfb9a97c135cb2da1d>

You will hear all about the different animals in the  
book. Pause and talk to your helper if something  
interests you or you need help to understand a  
word.

Make sure you include finger spaces and use your sound mat and tricky words to help you.

Now you have watched the video, we are going  
to think about the book.

What do we like best about the book?

Is there anything you don't like about the book?

What interests you?

Is there anything you are not sure of – is a puzzle  
to you?

Answer the questions in your book:

I like \_\_\_\_\_ because \_\_\_\_\_

I don't like \_\_\_\_\_ because \_\_\_\_\_

I'm interested in \_\_\_\_\_

I'm not sure about \_\_\_\_\_

# Maths: Compare number sentences

Today we are going to be comparing number sentences.

Can you recall these symbols  $<$   $>$   $=$  ?

Click here to start today's lesson.  
<https://vimeo.com/497920660>

In your maths pack, you will find the worksheet 'Compare Number sentences'. With your helper, read each instructions and complete the sheet carefully. Remember to count and check before moving onto the next question. Make sure that you form your numbers correctly. Keep your number line to hand to help you.

Please don't forget to email us a photo or a scanned copy of your work.

# Music : Sun, Sea and Song 1

Today we are going to start our sea adventure with Nigel and Suki.

Click on the link and play the tutorial to learn the song. <https://www.bbc.co.uk/teach/school-radio/music-ks1-sun-sea-song-1-the-big-ship-sails-on-the-ally-ally-oh/zb7spg8>  
Now scroll down the same page to find this image to sing the whole song.

This song is a fun song! As with the last one, click and watch the tutorial to learn the song. <https://www.bbc.co.uk/teach/school-radio/music-ks1-sun-sea-song-2-theres-a-hole-in-the-bottom-of-the-sea/zvr7jhv>  
Now, as last time scroll down the same page to find this image to sing the whole song.

Which song did you like the best? Which was easiest to learn?  
Well done, you have sung really well today!

**Have fun!**

## A creative idea: Decorate a fish

This is going to be your Friday afternoon art activity, but we will put it on the daily slide so you can choose to complete it at a time that works for you and your family.

Decorate the cut-out fish you have in your pack. You could use fingerprints, collage materials, stickers, felt tip pens.....

Can you find a way to make scales? Perhaps you could create a repeating pattern.

Don't forget to send in a photograph of your fish so we can create a shoal!

# This week's Rainbow Challenges:

During the week try to do each of these challenges to get your rainbow certificate.

## My Rainbow Challenges

I can make someone laugh today.

I can help by laying the table every day this week.
