

Lady Modiford's & Meavy Primary Schools

Online Learning

Date: Tuesday 9th February 2021

Year group: Year 1

On this power point we have outlined some daily activities using a similar structure to that of a school day. It is really important that the children who are coming into school on some days, continue to follow the online learning on the days that they are at home, because we are going to be following the same sequence of learning in school.

Each of you should have received a work pack. It will contain equipment and sound mats that your child would normally make use of in class. There will be a book for your child to work in and the year 1s will have the printed maths sheets that they will need for the maths lessons. We have also put in letter formation sheets and handwriting practice.

The power points will remain on the website all week, so you can access them at any time.

Within our online learning PowerPoints there will be parts where we are asking for work to be sent in (photograph/scan and emailed to this account). It is very important that we are able to keep up with the work that the children are doing and we really appreciate you taking the time to do this. Any photographs, work or comments that you send us will be stuck straight into learning journeys and work books so they really will be valued. We look forward to seeing how everybody gets on.

We will be on-hand to offer support and feedback to any of you who may need it so please do let us know if there is anything you are struggling with.

Thank you.

Our learning today

Phonics: Revision and Consolidation

Writing: Alliteration poem 2

Maths: Subtraction Counting Back

Topic: Science - Space

Active ideas: Mindfulness hunting game

Rainbow Challenges

Reflection time

Story Time

Phase 5 Phonics

Phonics: It's consolidation week.

Use this time to revisit one of the daily phonics videos of a sound you know your child missed or found more challenging.
Links to all of the daily videos have been emailed to you.

If there is a sound that appears in our revisit element of the videos that your child finds tricky, you could practise on the phonics play site: visit

<https://www.phonicsplay.co.uk/>

Username: jan21

password: home

English: Alliteration Poem – The Big Write 2

Today we are going to start to write our poem.

Over the next three days, we are going to build up to a finished poem on Thursday.

Using your list from yesterday we are going to start to create our alliterative phrases to form our poem.

In my list, I included a spacesuit. This will be very important if I want to step out on Mars.

How can I describe my spacesuit? Silver spacesuit, or even better a shiny, silver spacesuit.

Use your ideas to build up your poem.

Make sure you include finger spaces and use your sound mat and tricky words to help you.

Maths: Subtraction counting back (not crossing 10)

Today we are going to be taking away by counting back on a number line.

Click here to see the video.

<https://vimeo.com/492198226>

In your maths pack, you will find the worksheet 'Subtraction counting back'. With your helper, read each instructions and complete the sheet carefully. Remember to count and check before moving onto the next question. Make sure that you form your numbers correctly. Keep your number line to hand to help you.

Please don't forget to email us a photo or a scanned copy of your work.

Science – Space

It is time for our next science lesson all about space! This time we will be learning about how the Earth orbits and rotates. Get your paper and your pencil, switch your science brain on and [click the link to get started](#).

In this lesson, you will need:

Exercise book or paper

Pencil

Brain

[Click here to watch episode 3](#)
[INTERNATIONAL SPACE STATION](#)

This science unit of work is really aimed at KS1 (year 2). You are more than welcome to watch it with your child and perhaps talk about the things rather than record them. Below is a link to the Cbeebies programme '[Maddie, space and you](#)'. There are a series of episodes aimed at younger children, and we will add a link each week. The children in school have given them a big thumbs up!

An active idea: Mindfulness – Hunting game

Stand in an outside space with your helper.
Look around and name 5 things you can see.
Listen carefully – name 4 things you can hear.
Take your time - name 3 things you can touch.
Breathe in deeply – name two things you can smell.

Breathe deeply and relax!

A creative idea: Make a wooden spoon puppet

Can you use a wooden spoon to create a puppet? Here are some ideas that you could copy...or you could think of your own!

This week's Rainbow Challenges:

During the week try to do each of these challenges to get your rainbow certificate.

My Rainbow Challenges/practise

I can do ten minutes of handwriting practise.

I can help by putting my dirty clothes in the wash basket

I can make a picture using leaves and flowers and press it.

I can draw a map to show someone where some treasure is.

I can add calculate the answers to number sentences.

<https://www.topmarks.co.uk/addition/robot-addition>

I can ask 6 questions in one day.

Collective Worship

In the Bible passage we looked at yesterday, love was described as being 'kind.'

How can you show kindness to others?
Is it what you say or what you do?

The Bible also says that 'love does not boast.'
What does boasting mean?

If you're not sure, watch this American clip about 'The boastful traveller.'
<https://www.youtube.com/watch?v=BLIABolaGGA>

Can you think of examples of how we might boast?
How does it make everyone around us feel?

Dear God

Teach us to value other people around us.

Help us to look at each others' strengths and remember that we are all different.

Help us not to make other people feel small by boasting about ourselves.

Amen

Story time

Now to finish the day with a very special story read by the astronaut Christina Koch.

Are you sitting comfortably?

[Click here to start the story.](#)

You have completed today's learning.

Well done you are a star!

Please remember to email your work to our class email address.
